STRANGE, BUT TRUE.

My Papa he was born some place away up in New York.

And I was born in Pittsburg, and I'm awful glad, you bet;
But ain't it awful funny that we three ever met?

"A Kentucky Boy," by Pauline Phelps and Marion Short, will be Klaw & Erlanger's next production. The play is now in rehearsal. In this drama the authors open a new field for stage purposes, although one cultivated carefully by the novelist. Cut off from the world by mountain ridges and lack of access by railroads, the dramatic student is likely to find stirring plots and strong characters in the territory which the women playwrights now invade.

WHEN it comes to awards of the Nobel prize do not let the claim of JOHN D. as the Friend of the Brotherhood of Man be altogether forgotten.—Philadelphia Record.

THE Hon. Mistah HOBSON appears to be about the only man in the United States who is scared over a possible war with Japan. HOBSON's hobby must inspire him with some terrifying dreams.

A NEW rule in the Paris Opera forbids singers who have just expired to rise and bow their thanks for kind applause. They who die for art's sake must die as art demands—till the end of the act.—New York World.

JUST think how JOHN D. ROCKEFELLER has been fooling the public all the time and allowing everybody to believe that he was ill and unhappy. Now he lets it out that he is o. k. and possesses a stomach which is kind to him.

THE press and the public seem to want to purposely misrepresent the utterances of great public men. It was reported that ANDREW CARNEGIE said that he was in favor of the immediate lifting of the Protective Tariff off of steel manufactures. Mr. CARNEGIE denies that he said it, and now sets himself aright by announcing that what he said was that he favored a gradual lowering of the Tariff duties. There is a right smart difference between "immediate" and "gradual."

ONE of the Anti-Saloon League leaders says that 70 Ohio counties will be dry by next June.

WOMEN complain that they have not equal rights with men. But they own one-half of the National Bank stock in this country.

A VERY short time ago if any one had declared that on December 1st, 1908, the Equity Society and the American Tobacco Company

would be eating out of the same trough it would almost have caused a riot. Yet today that very thing has happened. It is a pleasing spectacle to

THE PUBLIC LEDGER to realize that the Equity Society and the American Tobacco Company have "got together," and, not only that, but that they are doing business under the same roof, and that roof is owned by the "Tobacco Trust."

What changes, my fellow-citizens, sometimes eventuate!

It makes all the difference in the world whose ox is gored.

Now that the lion and the lamb lieth down together, we sincerely hope that the tobacco trouble in old Kentucky has terminated for good—for the State's good—and that henceforth old King Tobacco will rule with a benignant and a benificent sway, and that the farmer and the tobacco grower will wax fat and at the same time understand that the rights of all must be respected, even the great American Tobacco Trust, whose money is now to jingle merrily in their own pockets.

POLITICALLY SPEAKING.

"Shall I see your father?"
"Oh, no," said the politician's daughter. "Necessary to a choice, one."
"Then I am the groom-elect?"
"You are. And, Harold?"
"Yes, dear?"
"I shall expect you to keep some of these pre-election promises you've been making."

Yesterday morning a gust of wind caused the side door leading to the elevator shaft at the Bee Hive to close violently and shatter a large pane of glass. Miss Alma Bendel, who happened to be passing at the time, received a severe gash on the cheek from the flying glass.

In this issue of THE LEDGER is the announcement of Miss Jessie O. Yancey of this city as a Democratic candidate for County Superintendent of Schools for Mason county. Miss Yancey has been a popular teacher for the past six years and is every way qualified for the position. Several of our neighboring counties have elected women Superintendents, and why not Mason county?

A fair crowd was out to see "The Lily and the Prince" last night at the Washington Theater. The play was very beautiful and very well acted and staged. It was a historical production depicting the era of the Borgias and the Colonna's of Italy and while it was pleasing and interesting, it was not of the amusing feature, which always appeals to Maysville audiences. The music furnished by the new orchestra was very enjoyable and all were delighted with the first program. This orchestra is to be one of the catchy things hereafter in Maysville play-going and will be a welcome addition to all local shows.

Mr. Robert Lee Gordon, son of Prof. A. N. Gordon of Lexington and a nephew of Miss Fannie I. Gordon of this city, was married at Bartlesville, Oklahoma, last Wednesday. Gordon, on Loudoun avenue, Lexington. Shortly after returning to Oklahoma the bridal couple will go to housekeeping in a new home which Mr. Gordon is now building in Bartlesville.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are cured by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

High-Grade Butchering Drugs

The Pure Food and Drug Laws may prevent the adulteration of food products, but such laws do not guard you against inferior quality. Decidedly poor spices may clear the law. The way to guard against the poor kinds is to buy where high-grade goods only are sold. During the butchering season you'll need

Sage, Black Pepper, Cayenne, Etc.

Let us supply you. We have them strictly fresh and the best grades of each that the market affords. There's economy in their use because they are of extra strength as well as of finest flavor, and will cost you no more than inferior goods.

May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that's "in style," but the modern hat for men has lots to answer for.

Baldheads are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of dandruff it is a sure sign that these countless germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp—it will kill the germs and healthy hair is sure to result.

I.
Well, friends, you have swept the country,
You have triumphed from end to end,
But we're none of us playing the baby,
And we'll take our dose like men.
Only—now that the shouting's over,
And we're down and out for true,
Will you be as square as you promised?
It's certainly up to you.

II.
We are helpless to aid or hinder.
We were sold as the beasts are sold;
And what are men, my brothers,
When you stack 'em up against gold?
But who sows the wind reaps the whirlwind—
I'm sure the Good Book speaks true—
Keep your weather eye skinned for breakers,
Now that it's up to you.

III.
Bill Taft, now the long climb's over,
And you've reached the top of the tree,
Will you be the friend of the people,
Not just of the G. O. P?
Will you show like our vanquished leader,
A white man through and through,
And stand for men against money
Now that it's up to you?

IV.
So, friends, get on with the program;
Bring in the good times soon;
Doctor the Tariff schedules
Till they hike the pike for the moon.
Fill up the dinner buckets;
Make every promise true;
And here's to your health while you're tacklin'
The job that is up to you.

NATURE TELLS YOU.

As Many a Maysville Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills. Doan's Kidney Pills cure all kidney ills. John G. Morris, Jail Keeper, living on Main street, Flemingsburg, Ky., says:

"I can recommend Doan's Kidney Pills as being all that is claimed for them. Several months ago I was suffering severely from kidney disorders, and although I tried many remedies, I was unable to obtain relief. My kidneys were very weak and irregular in action, causing me much inconvenience and annoyance. I lost a great deal of sleep on this account. Finally Doan's Kidney Pills were recommended to me. I procured a box at J. J. Wood & Son's Drugstore and began using them. I was surprised at the quick results, as the trouble entirely disappeared and I have had no return of any of the symptoms since. I cannot speak too highly of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Character vs. Reputation.

The difference between Character and Reputation is the difference between actual fact and appearance.

PLUMVILLE.

Albert Emmons has removed from Cincinnati to his farm near here.

Mrs. Mathew Hoffman of Ashland visited relatives here recently.

Mrs. Dr. Winder is making an extended visit with her mother near Louisville.

William Wilson and son, C. B., of the Pleasant Ridge vicinity, have connected their homes with a telephone.

Harold Morris and Miss Jewel Morgan of this place ran off to West Union, O., the 10th inst. and were married.

Mrs. Lidda Webster and son of Colfax, Ind., after a two weeks' visit with her brother, Scott Fletcher, and sister, Mrs. J. Cruys, have returned home.

John Duzan moved to Maysville last week; George Ford moved to his recently purchased farm vacated by Mr. Duzan; Carlos Weaver of "Cottagesville" moved to the residence vacated by Mr. Ford; Frank Brevard moved to the residence vacated by Mr. Weaver.

MT. CARMEL.

Dr. E. C. King is convalescent.

Our creamery is progressing nicely.

Mr. G. A. Kelley is having his house painted. The friends of Rev. Wolf gave him a surprise party recently.

Rev. W. L. Clark has gone to assist in a union meeting at Germantown.

We understand that our creamery will be completed the 10th of December.

We understand that G. W. Davis is very much pleased with his Tennessee home.

We understand that Misses Jessie and Lavina Glascock have rented Mrs. C. W. Wilson's property.

Dr. W. H. Wallingford has located in Princeton, Va. He goes well equipped, having graduated with highest honors from the Hospital College of Medicine, Louisville, served as interne in Louisville City Hospital one year and in an examination before the State Board he got the highest grade. He seems very much pleased with his location.

BOGGS.

Rev. A. P. Gray of Portsmouth was the guest of Miss Mary Truitt last week.

Mr. and Mrs. J. C. Boyd ate their Thanksgiving dinner with Maysville relatives.

The Teachers' Training Class at this place now has an enrollment of 20 and is progressing nicely.

Mr. R. A. Carr, one of Maysville's most enterprising business men, was here Tuesday and Wednesday last.

The Presbyterian Churches here and at Valley will probably engage Rev. H. C. Bradley of Missouri for their Pastor.

The rottenness of politics was plainly manifested in the Republican Primary held in Lewis county recently. The many candidates for the various offices entered into a written, sworn agreement to use no money, directly or indirectly, but in case any one failed to sign the agreement it was to be null and void. This seemed well and good and many comments were made about how clean politics were getting in "the State of Lewis." But not so.

On election day money was flowing quite freely and upon investigation it was discovered that one candidate for a minor office had failed to sign the agreement, which left all free to fight it out with money and whisky.

Police Court.

The arraignment in the Police Court yesterday afternoon of three boys, whose ages ranged from 5 to 7 years, gave the prisoner's dock an appearance not unlike that of a kindergarten. The youthful offenders were up before Judge Whitaker charged with having broken windows in a building belonging to Mr. Joseph H. Dodson in the neighborhood of Wall street. After lecturing the youthful culprits in a kind and fatherly way, and extracting a promise of them that they would call on Mr. Dodson and apologize for their naughty behavior, and see that the broken windows were replaced, they were allowed to depart without further punishment.

Our Colored Citizens.

Mrs. Hattie Lang is quite ill at her home in Graves street.

NO MAN DELIBERATELY BUYS POOR CLOTHES.

He thinks their good, worth the money, or he doesn't want them. Just the same, lots of men are paying their good money for cheap cotton mixed goods and they think they are being real economical because they get such clothes for a little less than all wool would cost. This cotton-mixed stuff is very deceiving, even expert clothing men find it difficult at times to tell whether or not a fabric has cotton in it. As for the inexperienced wearer, we've seen fabrics that looked good enough to sell for \$20 for the suit that was at least 60 per cent. cotton and really worth about \$6 the suit. You get no such "flim-flam" when you trade with us. Thirty years selling good clothes enables us to separate the "sheep from the goats." When we say all wool we live up to it.
